Game Procedures:

- All periods will be 15-minute stop time. **The ice will be resurfaced after every game.**
- **If a game is tied after three periods of regulation, there will be a 3-man Shootout. Coaches are responsible to assign their three players when the shootout occurs. There will be a 60 second break at the end of regulation to give coaches time to select their players. A player can NOT shoot twice in a shootout. See ‘3-Player Shoot-out Rules:’ below for additional details.**

3-Player Shoot-out Rules:

A. Coaches are responsible to assign their three players when the shootout occurs. There will be a 60 second break at the end of regulation to give coaches time to select their players.

B. If a player is in the penalty box at the end of regulation, that player is NOT eligible for the shoot-out.

C. The team bench with the fewest number of eligible players will be used to determine how many players shoot before being eligible to shoot again. For example, Team A has 10 players and Team B has 15 players. Once Team A has used all 10 players then Team B will be allowed to use any player that has already shot in the shoot-out.

D. Teams alternate players shooting until the advantage is held for a win.

E. If the score remains tied, one additional player shoots until a winner is decided. Refer to Rule B if necessary.

● **If a game is tied after three periods of regulation in a semifinal, 3rd place or championship game, there will be a 5 minute 4 on 4 Sudden Death Overtime. In the event there is not a winner at the end of the first overtime, there will be a second 5 minute 3 on 3 Sudden Death Overtime. In the event there is not a winner at the end of second OT Sudden Death Shoot-Out**

● Teams listed as the HOME team on the schedule are to wear LIGHT jerseys. If there is a conflict in jersey colors, the tournament expects the two coaches to work out a reasonable solution.

● All teams must arrive at the tournament venue at least 40 minutes prior to their scheduled start time; teams must be prepared to take the ice 25 minutes prior to scheduled game time.

● Every effort will be made to provide teams with a warm-up period; **however, teams must be ready to take the ice as soon as the preceding game and/or ice resurfacing is finished.**

● Tournament officials will provide all game pucks and pre-game warm up pucks.

● Each team is allowed ONE 60 second time-out for Pool Play and Playoff Games.

*Mercy Rule - if at any point in time in the game the gap in the score equals five goals or more, running time will begin. If the gap in score is below 5 goals, stop time will resume.

- Standings are determined on the basis of two points for all regulation and shootout wins; zero points for a regulation or shootout loss.
- If two teams have an equal number of points in pool play, standings are determined by 1.) Head-to-head result; 2.) Most wins; 3.) Fewest goals allowed; 4.) Goal differential; 5.) Most goals scored; 6.) Coin toss.
- If a tie in the standings occurs with three teams, the tie-breaking procedure begins at Head-to-Head results then follows the procedures in order. When this procedure only eliminates one of the teams and two teams still remain tied, the eliminated team is removed and the procedure is re-processed with the remaining two teams. If the two teams remain tied following this process, a coin toss is used to determine advancement.

Protests:

- All protests must be made to the Tournament Officials by the Head Coach only to be valid. The head coach must bring their concerns to the tournament officials within 30 minutes of the game in question. The Advisory Committee's decision is final on all arbitrated game decisions. Please email your protests to jalos001@umn.edu
- No protests will be permitted regarding rules interpretations or judgment calls made by referees. Only protests related to game rules that can be addressed in the USA Hockey Rule Book and/or regarding player eligibility will be heard by tournament officials.

Players and/or coaches receiving a Game Ejection penalty will be eligible to play/coach at the next scheduled game.
