# PLAYER TESTIMONIALS

## MICHAEL MISA

Michael Misa shined throughout the 2nd Annual Hockey Hall of Fame Future Legends tournament in 2018, as one of the top 2007s in the event. Misa led Team Lemieux, as well as the overall tournament scoring with 7 goals and 13 points in 6 games.

“I had an experience of a lifetime,” said Misa. “The Hockey Hall of Fame is one of the best tournaments I have played in because there were so many amazing hockey players from all over and it was fun meeting so many new players and making new friendships.”

In 2022 Misa recently broke Connor McDavid’s OHL Cup point record by scoring 20 points as an underager. He was named MVP and granted exceptional player status, allowing him to be drafted into the OHL as a 15-year old. He shares this exclusivity with NHL players like Aaron Ekblad, Connor McDavid and John Tavares. He is currently playing on the Saginaw Spirit. “This was a very well organized tournament and getting to see the actual Hockey Hall of Fame was cool,” Misa concluded. “I thought that getting drafted to a team with such incredible players and great coaches was awesome as well. Thank you for a mind-blowing weekend!”

## MAGGIE SCANNELL

The HHOF Future Legends Tournament was such a special experience for Maggie Scannell. As part of Team Granato, Maggie most appreciated the opportunity to learn from coaches and players who share the same passion.

“It was such a privilege to wear the Team Granato jersey, knowing Cammi Granato’s incredible influence in women’s hockey,” Maggie stated. “There is also something very special about becoming part of a team and working with coaches to become your best. I learned so much from my teammates and coaches, lessons I continue to use both on and off the ice,” she added.

She shares that moments like this, “highlight the spirit of the team, which is amazing, especially when we come together for the weekend. I was so fortunate to skate alongside these players.” Maggie also appreciated the time given to tour the Hockey Hall of Fame as a team with their coaches, noting, “we toured together, bringing us closer as teammates and friends.”

Scannell (’06 Birth Year) returned to Team USA to compete in the Under-18 IIHF World Championships for her 3rd time in January 2023 where she captained the team to a Gold Medal. Maggie will join the Wisconsin Badgers in the fall. She is excited for the players in this year’s Hockey Hall of Fame Future Legends Tournament. She hopes they view every moment in the tournament as a chance for growth, both as a player and in mindset, appreciating their coaches and teammates, while making friends and memories.

# TOURNAMENT RULES

## RULES

1. Delayed offside is in effect. A shot on goal is still delayed offside. A goal scored on a delayed offside is disallowed and the face off will take place where the shot on goal originated.
2. On a delayed offside the offender has to make a clear route back to the blue for the offside to null and void. Any deviation ie. faking out the puck carrier, skating in front of them etc. will result in an intentional offside ruling, resulting in the face off now taken place in the far end zone.

4. We will play automatic icing.

## TIEBREAKER FORMAT

To determine teams advancing to the playoff rounds. If more than 2 teams are tied, as soon as the tie is broken, the tie breaker format is reapplied to any remaining ties. (e.g. goes back to head to head when back down to two remaining tied teams if no head to head than Goal Quotient).

1. Head to Head  
(Two Team Tie Breakers Only)
2. Goal Quotient = Goals for /  
(Goals For + Goals against)
3. Least Goals Allowed
4. Goals For
5. Fewest penalty minutes
6. Fastest Goal

## PLAYOFF OVERTIME FORMAT

In the event a Quarter, Semi or Final game should end in a tie, the tie will be broken in the following manner:

- 3 on 3 for ten minutes of stop time.
- A 3-player shootout.
- A sudden death shootout consisting of players who have not participated in the 3-player shootout.
- For Championship Games Only. After a ten minute sudden death, if teams remain tied, a one minute rest period will take place followed by another ten minute sudden death period. This format will continue to repeat until a winner is determined. No shootout will be conducted in these games.

## SHOOTOUT RULES

Each designated shooter for both teams will alternate shots. Home team will decide who will shoot first. If the score remains tied after 3 rounds, new players will participate in a sudden death shoot out.

## **THE COLLEEN HOWE INVITATIONAL GIRLS HOCKEY TOURNAMENT 12U GIRLS TEAMS FROM AROUND THE WORLD**

January 17-20, 2025 • Fort Lauderdale, Florida

<https://mrs-hockey-invite.premiericeprospects.com/details>

Colleen "Mrs. Hockey®" Howe (February 17, 1933 – March 6, 2009) was a hockey innovator and sports powerhouse in her own right who opened doors for women of all ages who love the game. She was the first female sports agent ever and founded Power Play International and Power Play Publications to manage the business interests of her husband, Hall of Fame hockey player Gordie Howe and their sons Marty and Mark. As a civic leader, she brought the first Junior A hockey team to the United States, built the first indoor rink for public use in Michigan and ran for Congress. In 2000, as "Mrs. Hockey®", Colleen received the Wayne Gretzky International Award—presented to individuals "who have made major contributions to the growth and advancement of hockey in the United States"—from the US Hockey Hall of Fame, along with her husband (known as "Mr. Hockey®") and sons. Married to Gordie for 55 years, she truly was the driving force in the First Family of Hockey.

The Mrs. Hockey® Invitational Tournament is both a tribute to her legacy and a passing of the torch to females in hockey everywhere.
