PLAYER TESTIMONIALS

MICHAEL MISA

Michael Misa shined throughout the 2nd Annual Hockey Hall of Fame Future Legends tournament in 2018, as one of the top 2007s in the event. Misa led Team Lemieux, as well as the overall tournament scoring with 7 goals and 13 points in 6 games.

"I had an experience of a lifetime," said Misa. "The Hockey Hall of Fame is one of the best tournaments I have played in because there were so many amazing hockey players from all over and it was fun meeting so many new players and making new friendships."

Misa is currently the captain for the Saginaw Spirit of the Ontario Hockey League. He is considered to be a top prospect eligible for the 2025 NHL entry draft. In '22 he broke Connor McDavid's OHL Cup point record by scoring 20 points as an underager. He was named the MVP and granted exceptional player status, allowing him to be drafted into the OHL as a 15-year old.

"This was a very well organized tournament and getting to see the actual Hockey Hall of Fame was cool," Misa concluded. "I thought that getting drafted to a team with such incredible players and great coaches was awesome as well. Thank you for a mind-blowing weekend!"

MAGGIE SCANNELL

The HHOF Future Legends Tournament was such a special experience for Maggie Scannell. As part of Team Granato, Maggie most appreciated the opportunity to learn from coaches and players who share the same passion.

"It was such a privilege to wear the Team Granato jersey, knowing Cammi Granato's incredible influence in women's hockey," Maggie stated. "There is also something very special about becoming part of a team and working with coaches to become your best. I learned so much from my teammates and coaches, lessons I continue to use both on and off the ice," she added.

She shares that moments like this, "highlight the spirit of the team, which is amazing, especially when we come together for the weekend. I was so fortunate to skate alongside these players." Maggie also appreciated the time given to tour the Hockey Hall of Fame as a team with their coaches, noting, "we toured together, bringing us closer as teammates and friends."

Scannell ('06 Birth Year) was recently named to the WCHA All-Rookie Team as a freshman at Wisconsin for the 2024-2025 NCAA season. In 2023 she captained Team USA in the Under-18 IIHF World Championships for her 3rd time and led the team to a Gold Medal. She is excited for the players in this year's Hockey Hall of Fame Future Legends Tournament. She hopes they view every moment in the tournament as a chance for growth, both as a player and in mindset, appreciating their coaches and teammates, while making friends and memories.

THE COLLEEN HOWE INVITATIONAL GIRLS HOCKEY TOURNAMENT 12U GIRLS TEAMS FROM AROUND THE WORLD

January 16-19, 2026 • Fort Lauderdale, Florida

<https://mrs-hockey-invite.premiericeprospects.com/details>

Colleen 'Mrs. Hockey®' Howe (February 17, 1933 – March 6, 2009) was a hockey innovator and sports powerhouse in her own right who opened doors for women of all ages who love the game. She was the first female sports agent ever and founded Power Play International and Power Play Publications to manage the business interests of her husband, Hall of Fame hockey player Gordie Howe and their sons Marty and Mark. As a civic leader, she brought the first Junior A hockey team to the United States, built the first indoor rink for public use in Michigan and ran for Congress. In 2000, as 'Mrs. Hockey®', Colleen received the Wayne Gretzky International Award—presented to individuals "who have made major contributions to the growth and advancement of hockey in the United States"—from the US Hockey Hall of Fame, along with her husband (known as "Mr. Hockey®") and sons. Married to Gordie for 55 years, she truly was the driving force in the First Family of Hockey.

The Mrs. Hockey® Invitational Tournament is both a tribute to her legacy and a passing of the torch to females in hockey everywhere.
