WELCOME TO THE 2024

WORLD SELECTS INVITATIONAL

Dear parents and future hockey stars,

Welcome to the 2024 World Selects Invitational (WSI) - Philadelphia, the best youth hockey event in the world! This is the 9th year we have hosted the Philadelphia tournament. This year we are excited to host several new European teams from the merger of the former World Youth Championship (WYC) and WSI. This year we are proud to host the top players in North America and Sweden, Finland, Czech Republic, Slovakia, Latvia, Kazakhstan, and Russia for the 2009-2007 birth years. There will be over 1,300 players attending this year's WYC Philadelphia. Over 100 NHL Draft picks and NHL players (2000-2005 age eligible players), as well as, over 300 CHL draft picks and NCAA scholarships have come through the WSI Philadelphia in only a few years time.

Our goal is not only to host the best players in the world in a hockey tournament, but also to provide them maximum exposure to scouts, as well as an overall memorable experience for the players and families!

We will be back in Philadelphia with the 2010-2008 age levels in 2025. In addition to hosting WSI Philadelphia and WSI Europe this year, we will be heading back to Europe in 2025 to host the 2011, 2012 and 2013 age levels. Play Hockey believes it is really important to show you different lifestyles, cultures, cuisines and let you discover the world without any borders. We are looking forward to hosting everyone this year in Philadelphia (2024), and in Europe and Philadelphia in 2025

Let the games begin!

#WSIPhilly

Best of luck, Mitch Larnerd, Phil Passarelli, Joe Templin, Rhys van Kemenade & All of Play Hockey!

1. The home team has choice of who shoots first.
2. Should the tie persist, teams will continue 1 player at a time until the tie is broken..
3. See below under "Playoff Tie Games" for rules in playoff games.
4. If there is a player(s) serving penalties at the end of regulation, those player(s) can not participate in the shootout.

Tournament Format

'09 DIVISION | Team will play a 5-game minimum round robin. Plus, Playoffs. Top 16 move on. (Subject to change based on number of teams in division).

'08 DIVISION | Team will play a 5-game minimum round robin. Plus, Playoffs. Top 16 move on. (Subject to change based on number of teams in division).

'06 DIVISION | Team will play a 4-game Round Robin. The 1st place overall team will get a bye and the rest will play game 5 as a play-in for the Quarter Final spots. The teams will keep the seed as they move through the playoffs. (Subject to change based on number of teams in division).

TIEBREAKERS

If 2 teams are tied in points, the following order applies to determine the ranking of teams. If more than two teams are tied, teams will go through each tiebreaker until ONE team is determined the winner (there is no head-to-head if there are more than two teams tied), once the tiebreaker is broken and one team is the winner, that team advances and the tiebreaker resets to #1 (again, head-to-head only applies for when there is only 2 teams left) for the remaining teams.

1. Head-to-Head (if applicable, for only when 2 teams are tied in points)
2. Best goal differential formula = Goals For / (Goals For + Goals Against)
3. Least goals against
4. Most goals for
5. Least penalty minutes during the tournament

*EXAMPLE:

Team A, B, C and D all are tied with 6 points. The first tiebreaker in this example would be #2 Best goal differential formula. Team A wins that, so then it resets to 3 teams tied with 6 points. Then, apply the best goal differential formula again, Team B wins that. Then, the last two teams would go to #1 if applicable, if not, then the process would proceed according to the tiebreakers #2 through #6.

PLAYOFF & PLAY-IN GAME TIEBREAKERS

If there is a tie game at the end of regulation time during the tournament playoffs, the following overtime rules will apply.

20-minute sudden-death period, 3-on-3 plus goaltender overtime. Teams will switch ends to start the overtime period. If still tied, there will be a best-of-3 shootout. 3 players will be chosen by each team's coach at the end of 20-min. overtime period. After the first 3 shots, the team can use any player as many times as they choose.

1. The home team has a choice of who shoots first.
2. Should the tie persist, we will continue 1 player at a time until the tie is broken.
3. If there is a player(s) serving penalties at the end of regulation, those player(s) can not participate in the shootout.

***Respect the referees at all times. Should you have a situation you would like to discuss concerning a particular individual, we have appointed a referee-in-chief who is available to you, he does not have the power to change a referee's decision. However, we have advised our refereeing staff to treat coaches with respect and they will expect the same in return. They will not exercise any patience when being sworn, screamed or gestured at.

The Tournament Director has the final word on the interpretation of the rules.
