

WELCOME TO THE 2025

WORLD SELECTS INVITATIONAL

Dear parents and future hockey stars,

Welcome to the 2025 World Selects Invitational (WSI) - Philadelphia, the best youth hockey event in the world! This is the 10th year we have hosted the Philadelphia tournament. This year we are excited to host several new European teams from the merger of the former World Youth Championship (WYC) and WSI. This year we are proud to host the top players in North America, Finland, Czech Republic, Slovakia, Latvia, Kazakhstan, Alps and Russia for the 2010-2008 birth years. There will be over 1,300 players attending this year's WSI Philadelphia. Over 135 NHL Draft picks and NHL players (2000-2006 age eligible players), as well as, over 350 CHL draft picks and NCAA scholarships have come through the WSI Philadelphia in only a few years time.

Our goal is not only to host the best players in the world in a hockey tournament, but also to provide them maximum exposure to scouts, as well as an overall memorable experience for the players and families!

We will be back in Philadelphia with the 2011-2009 age levels in 2026. In addition to hosting WSI Philadelphia and WSI Europe this year, we will be heading back to Europe in 2026 to host the 2012, 2013 and 2014 age levels. Play Hockey believes it is really important to show you different lifestyles, cultures, cuisines and let you discover the world without any borders. We are looking forward to hosting everyone this year in Philadelphia (2025), and in Europe and Philadelphia in 2026.

Let the games begin!
