WELCOME TO THE 2021

WORLD YOUTH CHAMPIONSHIPS

Dear parents and future hockey stars,

Welcome to the 2021 World Youth Championships (WYC) - Philadelphia, the best youth hockey event in the world! This is the 6th year we have hosted the Philadelphia tournament. This year we are proud to host the top players in North America for the 2004-2006 birth years. There will be over 900 players attending this year's WYC Philadelphia. Over 40 NHL Draft picks and NHL players (2000-2002 age eligible players), as well as, 170 CHL draft picks and NCAA scholarships have come through the WYC Philadelphia in only a few years time.

Our goal is not only to host the best players in the world in a hockey tournament, but also to provide them maximum exposure to scouts, as well as an overall memorable experience for the players and families!

In 2022, we will be back in Philadelphia with the 2007-2006 age levels. In addition, we will be heading to Scandinavia to host the 2010, 2009 and 2008 age levels. Play Hockey believes it is vitally important to show you different lifestyles, cultures, cuisines and let you discover the world without any borders. We are looking forward to hosting everyone this year in Philadelphia (2021), and in Europe and Philadelphia in 2022.

Let the games begin!

4. 7-goal differential will be in place. Example: 10-0 decision will be scored 7-0 in the game scoring standings.

In case of a regulation tie, there will have a shootout (best-of-3 format). 3 players will be chosen by each team's coach at the end of regulation. After first 3 shots, the team can use any player as many times as they choose.

1. The home team has choice of who shoots first.
2. Should the tie persist, teams will continue 1 player at a time until the tie is broken.
3. See below under "Playoff Tie Games" for rules in playoff games.
4. If there is a player(s) serving penalties at the end of regulation, those player(s) can not participate in the shootout.

Tournament Format:

'06 DIVISION

1. Team will play a 5-game minimum round robin. Plus, Playoffs. (Subject to change based on number of teams in division).

'05 DIVISION

1. Team will play a 5-game round robin. Plus, Playoffs. (Subject to change based on number of teams in division).

'04 DIVISION

1. Team will play a 5-game round robin. Plus, Playoffs. (Subject to change based on number of teams in division).

TIEBREAKERS:

If 2 teams are tied in points, the following order applies to determine the ranking of teams. If more than two teams are tied, teams will go through each tiebreaker until ONE team is determined the winner (there is no head-to-head if there are more than two teams tied), once the tiebreaker is broken and one team is the winner, that team advances and the tiebreaker resets to #1 (again, head-to-head only applies for when there are only 2 teams left) for the remaining teams.

1. Head-to-Head (if applicable, for only when 2 teams are tied in points)
2. Best goal differential formula = Goals For / (Goals For + Goals Against)
3. Least goals against
4. Most goals for
5. Least penalty minutes during the tournament

***EXAMPLE:**

Team A, B, C and D all are tied with 6 points. The first tiebreaker in this example would be #2 Best goal differential formula. Team A wins that, so then it resets to 3 teams tied with 6 points. Then, apply the best goal differential formula again, Team B wins that. Then, the last two teams would go to #1 if applicable, if not, then the process would proceed according to the tiebreakers #2 through #6.

PLAYOFF TIEBREAKERS

If there is a tie game at the end of regulation time during the tournament playoffs, the following overtime rules will apply.

1. 20-minute sudden-death period, 3-on-3 plus goaltender overtime. Teams will switch ends to start the overtime period. If still tied, there will be a best-of-3 shootout. 3 players will be chosen by each team's coach at the end of 20-min. overtime period. After first 3 shots, the team can use any player as many times as they choose.

1. The home team has choice of who shoots first.
2. Should the tie persist, we will continue 1 player at a time until the tie is broken. If there is a player(s) serving penalties at the end of regulation, those player(s) can not participate in the shootout.

*** Respect the referees at all times. Should you have a situation you would like to discuss concerning a particular individual, we have appointed a referee-in-chief who is available to you, he does not have the power to change a referee's decision. However, we have advised our refereeing staff to treat coaches with respect and they will expect the same in return. They will not exercise any patience when being sworn, screamed, or gestured at.

The Tournament Director has the final word on the interpretation of the rules.

PHILADELPHIA

Philadelphia is famously known for the Liberty Bell, Rocky, cheesesteaks, and the Mummers. Additionally, it is known for its revolutionary history in general, the top-notch Philadelphia Orchestra, and being the “City of Brotherly Love.” The estimated population is over 1,5 million. You can catch vibrant murals through its streets which all started back in 1984 as a way to combat graffiti and turned the city into an outdoor arts gallery.

This city is the home to many professional sports teams, including; the Philadelphia Phillies MLB, Eagles NFL, 76ers NBA, Union MLS, and of course, the Philadelphia Flyers NHL and Play Hockey’s World Youth Championships!
